ABOUT CAPE TOWN AND EN ROUTE

DISCOVER CAPE TOWN in a few DAYS

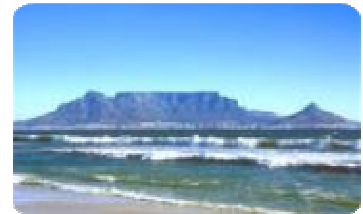

One of the MUST SEE places in South Africa is Cape Town – the Mother City of South Africa, where Table Mountain has been adjudicated as one of the new Seven Natural Wonders in the world!

Cape Town is where the South African parliament is situated, Robben Island (where Nelson Mandela spent 27 years of his life), the spectacular Cape Point, the V&A Waterfront, the wine routes of the Cape (including Great Constantia), Hout Bay and the Kirstenbosch Botanical Gardens (with its variety of flowers).

The historical town of Stellenbosch with its many Cape Dutch houses and old university, the town of Hermanus (where whales could be seen in season) and various upmarket Golf courses and Estates, are all located closely to Cape Town.

The West Coast with its supreme sea food and beautiful small fishermen's villages, abundance of 'Fynbos' vegetation and flowers are all within an hour's drive from the capital.

There are many ways of travelling from Johannesburg to Cape Town, but travelling with JB Train Tours on the upmarket **Premier Classe** train will give you the opportunity to see so much more of South Africa. You will travel through four of the nine provinces of South Africa (Gauteng, North West, Northern Cape & Western Cape); you'll experience the vastness of the Karoo and the beautiful sunsets; you might see some Springbuck and other antelope en route and you'll enjoy the beauty of the vineyards of the Western Cape.

This 4-day trip is very suitable for all ages, diplomats, business people, families and visitors who only have a few days available to travel around in Cape Town. It is also long enough to experience a lot of new things and short enough to take you out of office for only a couple of days.

Various popular tourist destinations are within close range of the hotel. E.g.: The Long Street Restaurants are within walking distance, whilst the V & A Waterfront is a brisk shuttle by bus or taxi away.
