### Certified B Corps

The B Impact Assessment evaluates how your company's operations and business model impact your workers, community, environment, and customers.

The Resilient Sustainable Business (RSB) program equips SMEs with practical tools and strategies to embed sustainable business practices, enabling them to build resilience in a rapidly changing world.

The SDG Action Manager is a free self-assessment that helps all businesses understand their contribution toward facilitating the United Nations Sustainable Development Goals (SDGs) and plan for improvements.
